

## WHY BUY INTERNATIONAL ALUMNI TRAVEL INSURANCE?

After graduation you may not be eligible for provincial health care right away. Health care costs in Canada can be expensive without proper coverage.

This insurance coverage provides emergency medical coverage while you apply or work in a field related to your studies until you qualify for provincial health.

## IDEAL FOR INTERNATIONAL STUDENTS AND RECENT GRADUATES WHO:

- Have completed their studies and remain in Canada up to a year to work in the field of their studies
- Are temporary residents of Canada without any government health care coverage
- Are registered full-time in a Canadian school, college, university or accredited educational institution
- Would like coverage under their policy for their spouse and dependents living with them
